February 2011

February 6 – No Room in the Inn

Donna Clark

Donna Clark, R.N., Director of Help and Outreach Point of Entry, Inc. (H.O.P.E.), has provided services to the homeless and those at risk of homelessness since 1999. The primary focus of H.O.P.E. is health, but that often leads to other basic needs that must be met before health issues can be addressed. We all see the increasing number of homeless wandering the streets and huddling in doorways, seriously in need and trying to keep warm. Salisbury churches opened their doors to men on January 1. Volunteers are needed to staff this program in the evening and overnight. Donna will tell us about services provided and how we can help.

Donna is Co-Chair of the Tri-county Alliance for the Homeless, Chairman of the Wicomico County Health Planning Board, and recently received the Frank H. Morris Humanitarian Award from the Community Foundation.
