Unitarian Universalist Fellowship at Salisbury

Summer Series 2010

Program Schedule

May 30- Fellowship Picnic

There will be a brief service prior to the picnic.

June 6- Andy Pica- Sacred Evolution

The idea that our understanding of God transforms as we transform and grow as individuals and as a species has deep roots in contemporary theology in both the Christian and Jewish worlds. However, these ideas have yet to penetrate popular consciousness and reshape the way the majority of Christians and Jews think about, worship, and serve God.

June 13- John Wright

John received his Master of Divinity degree from the Starr King School for the Ministry, the Unitarian Universalist Seminary in Berkeley, California. His particular field of specialization is pastoral care surrounding death and loss. John now serves as Consulting Minister to the UUFS.

June 20- Karen Goyer – Faith

Faith, the confident belief or trust in the truth or trustworthiness of a person, concept or thing. Faith is in general the persuasion of the mind that a certain statement is true, belief in and assent to the truth of what is declared by another, based on his or her supposed authority and truthfulness. Informal usage can be quite broad, and the word is often used as a mere substitute for trust or belief. (Wikipedia)

June 27- Beth Ohlsson

Beth has been a professional storyteller in the traditional style for an adult audience for nearly thirty years. While holding down a “day job” as an addictions counselor with the Center for Clean Start in Salisbury, she is also a Master’s Candidate in the professional storytelling program at East Tennessee State University in Johnson City, TN, and has a Bachelor of Science in Dramatic Arts and Education from McDaniel College in Westminster, Maryland. She is a member of the National Storytelling Network and the Healing Story Alliance. She is uniquely qualified to speak to and to demonstrate the power of the ancient medium she loves in spiritual growth.
