PRESIDENT'S REPORT
SEPTEMBER 2010

Since the August Board meeting, I've contacted those persons whose memberships are in jeopardy and will report on their status under New Business.

I met with John and Jackie Cox regarding RE issues, primarily clarifying the individual responsibilities for managing the RE budget and our concern regarding the status of our youth religious education program.

I established an interview committee to find a new administrative assistant. They completed their work in a very timely fashion and the Board voted, via e-mail, to accept the committee's recommendation to hire Sara Moulton. We will officially ratify her appointment at this meeting (See Old Business).

I've signed up to hear a talk on October 1st on "Living, Serving, Worshiping in a Multicultural Environment" by Gini Courter who spoke on this topic at this year's UU General Assembly. This is a fund raiser sponsored by the Bowie UU Fellowship.
